Dear Local Business,

We are contacting you on behalf of the **El Molino Boosters**, a group of community parents/volunteers working to ensure that the El Molino High School campus remains open for the 2021-22 school year. On March 10, 2021 the West Sonoma County Union High School District Board voted 3-2 in favor of closing El Molino High School and moving all of our students to Analy High School beginning in Fall 2021.

We are asking for your support in providing **an auctionable item for upcoming events and/or a monetary donation**. The money raised by this donation will:

- **Pay for Legal fees associated with a lawsuit against the district in which they have not fairly represented all community members.**
- Campaign material to recall the board
- Campaign material to recall the existing \$79 parcel tax
- Campaign material to recall the existing bond

We are exploring ALL avenues to make sure our students can return to their home in the fall, but we need your help! Please consider making a tax-deductible donation today. Although we don't anticipate there being leftover money, if there is and we are not successful in our mission to save our school - all remaining proceeds will go into a scholarship fund that will be granted to students in the greater west county area. We may be small - but we are MIGHTY and TOGETHER, *WE ARE EL MOLINO!*

Thank you for your consideration,

Domenica Sheets and Kara Mendez
